You Are Not Alone

The “You Are Not Alone” program is designed for Laguna Niguel residents to provide a measure of security and well-being for those who live alone.

This free program consists of checking on the welfare of those residents who have requested it.

Team members (P.A.C.T.) for the City of Laguna Niguel will either visit or make a phone call to the residence twice a week.

If contact with the resident cannot be made, the P.A.C.T. members will call a Deputy to contact the resident’s designated emergency contact person, and request that person to check on the resident’s welfare.

Staying Connected Helps to Keep You Safe!
